We give thanks for:

- The past 10 years of New Creation in which God has changed lives
- The start of the new children’s programme for 3-5 year olds
- The Saturday Club that is growing and running well
- Protection when we travel
- Our own and our children’s health
- Rapport with the (local) administration, churches and foundations
- All encouragements that are sent to us
- The many blessings we received in 2016

We ask your prayer for:

- Our work and residence permit extension
- Wisdom in communication with connections whether or not to start up new programme parts
- Blessings for all our work
- Being able to start making use of the generators
- Being able to show the love of the Lord Jesus by our way of life, both inside and outside our home
- Dependence on the Lord and wisdom in planning our work, and giving priority to the relationships with people
- Health and protection for all of us on the many journeys we need to undertake
- Wisdom to hold on to the criteria for adopting children, widows and elderly people, as there is great distress
- Our children, that we do not lose sight of them in all the work that needs to be done.
- Dependence on the Lord God, for: ‘Unless the Lord builds the house, its labourers labour in vain; unless the Lord keeps the city, the watchmen stand guard in vain’ (Psalm 127 verse 1)
